Topic:

Scams in Pakistan

Here are 10 common scams people face in daily life in Pakistan:

Relatives Emergency Scam

- Someone calls pretending to be your relative in trouble (accident, jail).
- Urgently asks for money.

Reality: Emotional manipulation to rush you.

Fake Online Shopping Pages

- Instagram/Facebook pages selling cheap branded items.
- Take advance payment, then disappear.

Reality: No product is delivered.

Sim Blocking / PTA Scam

- Message says your SIM will be blocked by Pakistan Telecommunication Authority
- You must “verify” via a link or call.

Reality: It’s a phishing attempt.

Fake Job Offers

- You get a job offer without applying, often abroad.
- Asked to pay “visa” or “processing fees.”

Reality: Job does not exist.

Fake Prize / Lottery Scam

- You receive an SMS or WhatsApp saying you’ve won a prize (car, cash, Umrah ticket).
- They ask for a “processing fee” or personal details.

Reality: There is no prize.

Easypaisa / JazzCash Impersonation

- Caller pretends to be from Easypaisa or JazzCash
- Asks for your PIN or OTP “to fix an issue.”

Reality: They drain your wallet.

Bank Account Verification Scam

- Caller claims to be from a bank (like HBL or UBL)
- Asks for OTP, CNIC, or card details.

Reality: Banks never ask for this.

Courier Parcel Scam

- You receive a call saying a parcel is stuck (sometimes “illegal items found”).
- Asked to pay fines or share details.

Reality: No parcel exists.

WhatsApp Account Takeover

- You receive an OTP “by mistake” from a contact.
- They ask you to share it back.

Reality: They use it to take over your WhatsApp.

Fake Investment / Crypto Schemes

- Promises of “double your money in days.”
- Often linked with fake apps or Telegram groups.

Reality: Early payouts are fake, later money disappears.

Facebook Marketplace Fraud

- Fake profiles selling cars, bikes, or phones cheaply.
- Ask for token money before meeting.

Reality: Seller disappears after payment.
